

CHANGE CHANGE CHANGE

Accenture is a leading global professional services company that helps the world's leading businesses, governments and other organizations build their digital core, optimize their operations, accelerate revenue growth and enhance citizen services - creating tangible value at speed and scale.

At the heart of every great change is a great human, so every day we match human ingenuity with the latest technology to do incredible things. We are a **talent- and innovation-led company with approximately 801,000 people serving clients in more than 120 countries.**

Technology is at the core of change today, and we are **one of the world's leaders** in helping drive that change, with strong ecosystem relationships. We embrace the power of change to create value and shared success for our clients, people, shareholders, partners and communities. We specialize in business and IT **transformation programs** and combine our strength in technology and leadership in cloud, data and AI with unmatched industry experience, functional expertise and global delivery capability.

Our broad range of services, solutions and assets across five business lines: **Strategy & Consulting, Technology, Operations, Industry X and Song** is powered by the world's largest network of Advanced Technology and Intelligent Operations centers. Together with our culture of shared success and commitment to creating **360° value**, it enables us to help our clients reinvent and build trusted, lasting relationships.

In Poland, Accenture has offices in Warsaw, Krakow, Lodz, Katowice, Gdansk, Szczecin and Wroclaw. Over 10,000 employees work there.
